Feminism and Ecology

By Mary Mellor

Polity Press. Paperback. Book Condition: new. BRAND NEW, Feminism and Ecology, Mary Mellor, The relationship between feminism and ecology has grown in importance in recent years. This book provides a comprehensive introduction to the ecofeminist movement and its history, as well as an extended analysis of the main perspectives within it. Mellor examines the connections between feminism and the green movement, and outlines the contributions of the major participants, while contextualizing them within a wider range of debates. She re-examines classic feminist texts from an ecofeminist perspective, and explores the relationship between ecofeminism and other ecological movements, such as a deepa ecology, social ecology and ecosocialism. Mellor discusses the association of women with biology and a naturea , and argues that the relationship between women and the environment can help us to understand the relationship between humanity and the natural world. Against the trends towards radical economic liberalism, global capitalism and postmodernist pluralism, she argues that there is within the feminist and green movements the basis of a new radical movement which draws on the principles of both. A useful and engaging account of feminist perspectives on ecology, the book will be welcomed by students and researchers in feminism and...
