Snarky, sexy, and steamy as a sauna. -- KATIE MACALISTER, New York Times bestselling author There s more than one way to keep a vampire up all night. V-Date.com. It s the vampire dating site. And if you re a mortal who s getting a little too close to learning our secrets, I m the guy who swoops in to make you forget. But don t worry: I only bite sometimes. I was great at my job until I met Silver--sarcastic, sexy, spunky Silver. I can t bring myself to make her forget about our kind. About me. It s all I can do not to throw her down on the kitchen counter and have my way with her, fangs and all. She says she s just looking for a good time, and I m just the vampire to give it to her--over and over again. I went into this looking for a good tumble, but even I have to admit that things are changing between us. Good god, I want to hold her hand. In public.
