Marlowe & Company, 2006. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: You've met the perfect woman, you've summoned the courage to propose, she actually said yes - now what? *Thirty to Wife* is a funny, yet informative wild ride through one soon-to-be-groom's last month of bachelorhood as he attacks what mortal man is not meant to conquer: wedding planning. Craig embarks on a crash course in schooling himself on what to do (with mild success), what not to do (with great success) and how to stay sane when the plans get out of hand. *Thirty to Wife* isn't just about one guy's journey; it's a field guide for all grooms and brides. Navigating the treacherous waters of wedding details (including responsibilities, budgeting, and traditions), Craig shares his triumphs and tragedies in a valiant effort to help grooms avoid making the same mistakes he did. And, finally, brides everywhere will for the first time understand what their guys are going through - and will take comfort in knowing that things could be worse! Cramming a wedding's worth of groom responsibility into a mere thirty days before The Big Day, Craig has to figure out how to get himself to the altar without losing his mind - or his fiancée. Charming and chock full of insights, tips, and lists, *Thirty to Wife* will have every prospective groom - and bride - not only laughing in the aisles, but walking down them too.
