Packt Publishing Limited, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a fast-paced tutorial focusing on creating a framework and using it to build an online store through an ongoing case study. Later chapters include examples to illustrate how easily the framework can be adapted for different situations. The framework and code are enhanced and built upon with each chapter, adding more and more functionality. If you are a web developer, or anyone looking to increase your understanding of e-commerce site development, this book is for you. Primarily aimed at PHP developers, it is suitable for any web developer interested in enhancing their e-commerce knowledge, or developers looking to move towards PHP. Intermediate knowledge of PHP development and object-oriented programming is assumed, and basic knowledge of e-commerce principles will be of benefit too.
