Baker Publishing Group, United States, 2018. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Dynamic New Teaching from Bestselling Author Ed Siloso It s no secret that the church today has lost its influence in culture. But why? With the technology, affluence, and knowledge we have today, why are we less effective than the first-century church--which didn t have social media, fancy buildings, professional pastors, or even religious freedom? What are we missing? In these vital, eye-opening pages, bestselling author Ed Siloso digs into Scripture, unearthing Jesus true design for his church--his Ekklesia. He shows how the early church was a radical, countercultural force of people who transformed the hostile, pagan places in which they lived. Here Dr. Siloso shows how we, in the midst of social, economic, political, and moral chaos, can once again become the revolutionary, transformational, life-giving Ekklesia Jesus called us to be.
