

Emerging Infectious Diseases: Volume 11, Number 4: April 2005

By U. S. Department of Health and Human Services: Centers for Disease Control and Prevention

Bibliogov, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.The Centers for Disease Control and Prevention (CDC), the agency of the U.S. Public Health Service charged with disease prevention and health promotion, leads efforts to address emerging infectious disease issues such as AIDS, antimicrobial resistance, food safety, hantavirus pulmonary syndrome, influenza, travel health, tuberculosis, West Nile virus infection, and zoonoses. CDC s efforts encompass improvements in disease surveillance, the public health infrastructure, and epidemiological and laboratory training. Emerging Infectious Diseases represents the scientific communications component of CDC s efforts against the threat of emerging infections. However, even as it addresses CDC s interest in the elusive, continuous, evolving, and global nature of these infections, the journal relies on a broad international authorship base and is rigorously peer-reviewed by independent reviewers from all over the world. This is one of their journals.

Reviews

This kind of pdf is every little thing and made me seeking ahead of time plus more. It generally will not price excessive. You will not truly feel monotony at anytime of the time (that's what catalogues are for concerning should you request me).

-- **Dr. Rosie Kuphal**

It in a single of my personal favorite ebook. It really is filled with wisdom and knowledge I discovered this book from my dad and i recommended this book to discover.
