Sirio. Paperback. Condition: New. 428 pages. Los grandes del liderazgo es un viaje por las mejores ideas sobre liderazgo que se han escrito en los últimos veinticinco siglos. En él encontrarás consejos, tan profundos como prácticos, de grandes genios de la historia, la literatura y la filosofía. Se puede aprender más sobre liderazgo de escritores como Shakespeare, Maquiavelo y Jane Austen que de los teóricos académicos de la gestión empresarial. Cada capítulo se centra en un libro clásico y entrelaza las ideas expresadas en él con casos prácticos. Al principio de cada capítulo se incluye un resumen del texto seleccionado. Con este proyecto, Jocelyn Davis no intenta inventar preceptos nuevos, sino iluminar los que han sido probados con el tiempo, de manera que los líderes de hoy y de mañana puedan valorarlos y aplicarlos. You don't need a big title or a business degree in order to lead with impact. What you need is practical wisdom: the insight, judgment, and strength of character that all great leaders have, but that most business schools and corporate workshops don't teach. The Greats on Leadership gets you there. Jocelyn Davis takes you on an in-depth tour of the best leadership ideas of the past 25 centuries, featuring classic authors from Plato to Winston Churchill, Shakespeare to Jane Austen, C. G. Jung to Peter Drucker, and many more. In a style both thought-provoking and entertaining, she shows how history's great writers have always been, and still are, the real leadership gurus. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
