

An Introduction to Discourse Analysis: Theory and Method (Hardback)

Filesize: 5.17 MB

Reviews

Thorough guide for pdf enthusiasts. Better then never, though i am quite late in start reading this one. Its been printed in an remarkably simple way which is only soon after i finished reading through this pdf by which really altered me, change the way i believe.
(Dr. Rowena Wiegand)

AN INTRODUCTION TO DISCOURSE ANALYSIS: THEORY AND METHOD (HARDBACK)

Taylor Francis Ltd, United Kingdom, 2014. Hardback. Condition: New. 4th Revised edition. Language: English . Brand New Book. Discourse analysis considers how language, both spoken and written, enacts social and cultural perspectives and identities. Assuming no prior knowledge of linguistics, *An Introduction to Discourse Analysis* examines the field and presents James Paul Gee's unique integrated approach which incorporates both a theory of language-in-use and a method of research. *An Introduction to Discourse Analysis* can be used as a stand-alone textbook or ideally used in conjunction with the practical companion title *How to do Discourse Analysis: A Toolkit*. Together they provide the complete resource for students studying discourse analysis. Updated throughout, the fourth edition of this seminal textbook also includes two new chapters: *What is Discourse?* to further understanding of the topic, as well as a new concluding section. A new companion website features a frequently asked questions section, additional tasks to support understanding, a glossary and free access to journal articles by James Paul Gee. Clearly structured and written in a highly accessible style, *An Introduction to Discourse Analysis* includes perspectives from a variety of approaches and disciplines, including applied linguistics, education, psychology, anthropology and communication to help students and scholars from a range of backgrounds to formulate their own views on discourse and engage in their own discourse analysis. This is an essential textbook for all advanced undergraduate and postgraduate students of discourse analysis.
