Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Exercises in False Syntax and Other Forms of Bad English: For the Use of Teachers, and Candidates Preparing for Departmental and Matriculation Examinations I take the opportunity afforded by the issue of another Edition to thank my fellow-teachers throughout the Province for the very favorable reception they have given to my little book. While I have thought it best, after consideration, not to attempt to carry out some of the suggestions sent me for its improvement, I have endeavoured, and I trust not without success, to add to its value and increase its usefulness by incorporating in the various Exercises some two hundred or more additional examples and questions. A second Edition having been called for much sooner than I expected, I find myself unable, without unduly delaying the-pubishers, to do more in the way of adding to the usefulness of the book than to correct such errors as I noticed in the first Edition, and to add a few examples to some of the exercises in Part III.
