It in one of the most popular book. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Alphascript Publishing. Taschenbuch. Condition: Neu. Neuware - The discography of Dream Theater, an American progressive metal band, consists of ten studio albums, one extended play, five live albums, one compilation, four videos, seven singles, and eight music videos. The band was formed under the name Majesty, by guitarist John Petrucci, bassist John Myung, and drummer Mike Portnoy while attending Berklee College of Music in September 1985. The trio added keyboard player Kevin Moore and vocalist Chris Collins in order to complete their lineup. After the band released a demo entitled Majesty Demos, Collins was replaced by Charlie Dominici in November 1987. The group signed with Mechanic Records, and released its debut album *When Dream and Day Unite* in 1989. After the album's release the group agreed to change their name to 'Dream Theater,' inspired by a now-demolished California movie theater. After firing Dominici, Dream Theater hired Canadian vocalist James LaBrie in 1991. LaBrie's debut album was *Images and Words*, the band's only gold-certified album by the Recording Industry Association of America (RIAA), having sold more than 500,000 copies. 164 pp. Englisch.
