Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Man s Place in the Universe: A Summary of Theosophic Study The need for a handbook of Theosophy is expressed by a daily-increasing number of students who wish to obtain some knowledge of its teaching, without necessarily having to read through the volumes in which its more abstruse problems are dealt with at length. But the scope of the subject being so stupendous, and the employment of some oriental terms being an unfortunate necessity (owing to the want in our language of words capable of conveying the required ideas), it is obvious that the writing of such a hand-book is not quite a simple task.
