

Mergers and Acquisitions in Practice (Hardback)

Filesize: 2.7 MB

Reviews

Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

Taylor Francis Ltd, United Kingdom, 2016. Hardback. Condition: New. Language: English . Brand New Book. The growth in mergers and acquisitions (MA) activity around the world masks a high rate of failure. MA can provide companies with many benefits, but in the optimism and excitement of the deal many of the challenges are often overlooked. This comprehensive collection, bringing together an international team of contributors, moves beyond the theory to focus on the practical elements of mergers and acquisitions. This hands-on, step-by-step volume provides strategies, frameworks, guidelines, and ample examples for managing and optimizing MA performance, including: * ways to analyze different types of synergy; * understanding and analyzing cultural difference along corporate and national cultural dimensions, using measurement tools; * using negotiation, due diligence, and planning to analyze the above factors; making use of this data during negotiation, screening, planning, agreement, and when deciding on post-merger integration approaches. Students, researchers, and managers will find this text a vital resource when it comes to understanding this key facet of the international business world.
