# Little Satchmo: Living in the Shadow of My Father, Louis Daniel Armstrong (Paperback)

By Sharon Louise Preston-folta

Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. To the world, Louis Armstrong is iconic-a symbol of musical genius, unparalleled success and unassailable character. To Sharon Preston Folta, he was, simply, Dad. Despite the enduring celebration and study of Armstrong s life and career, no one, save for close family and friends, knows Sharon exists. Even in the trumpeter s death she remains Armstrong s secret-the product of a two-decade-long affair between the long-married musician, and the vaudeville dancer Lucille Preston. And for more than half a century, she has lived her life hiding in the shadows of her father s fame. Until now. Now, Sharon shares her story-extraordinary because of who her father was, but universal in its reach toward generations who have grown up in fatherless households, searching for a keen understanding of their own blood, their own DNA, their own Legacy. Little Satchmo is an extraordinary tale of identity, loss, and one daughter s ultimate search for truth-and her father s love.
