Strategic Book Publishing Rights Agency, LLC, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Few books offer insight into the combination of music, faith, and family during the early rock era. Notes of Forgiveness is the compelling coming-of-age story of Sarada, daughter of rockabilly pioneer Sherry Davis. The memoir recalls Sherry s life after the spotlight, her addiction, and her unwavering faith in God to help raise Sarada. The book demonstrates the wisdom Sarada received from her mother s faith, leading her to realize the importance of Christ s message in her struggles. This is a powerful recollection of the other side of fame through the eyes of a child. Sarada recalls dining room stories about Elvis Presley, Buddy Holly, and others as though they were relatives. She remembers her mother sacrificing her singing career to raise a family, all while battling addiction. Notes of Forgiveness provides a compelling examination of faith and perseverance in the face of forfeited dreams. Sarada Bonnett has offered a compelling story of her own journey with a mom who was both a fighter and a victim, and the realities of overcoming life s pain and disappointments. Anyone who has dealt with the challenges of home life that is less than perfect will appreciate the insightful ride of Notes of Forgiveness. - Ryan Rush, senior pastor, Bannockburn Baptist Church, author of Walls and Home on Time In this book Sarada Bonnett shares with us her amazing story that gives such a great example of someone who finds a way to never give up and to keep a positive attitude throughout her life. I highly recommend this book to anyone who is overwhelmed with adversity and challenges. This book will help you soar above them. Well done! - Ryan...
