By Davi-Ellen Chabner Ba Mat

Saunders. Paperback. Condition: New. 1056 pages. Bring medical terminology to life with Davi-Ellen Chabners bestselling The Language of Medicine, 11th Edition! An illustrated, easy-to-understand approach presents medical terms within the context of the bodys anatomy and physiology, and in health and disease. With this proven resource, youll learn a working medical vocabulary built on the most frequently encountered prefixes, suffixes, and combining forms. Practical exercises and case studies make learning more interesting and demonstrate how medical terms are used in practice. Take advantage of interactive activities, games, quizzes, and flash cards on the Evolve companion website, and you will be ready to communicate fluently in the clinical setting and succeed in your healthcare career. Self-study textworkbook approach reinforces learning every step of the way with a wide variety of exercises, labeling diagrams, pronunciation tests, and reviews, all organized by body systems with additional chapters on key areas of health care such as cancer and psychiatry. Simple, clear, non-technical explanations demystify medical terminology even if you have little or no background in medicine or science. More than 500 full-color illustrations depict the details of anatomy, physiology, and pathology, putting medical terms in the context of the structure and function of the...
