TRANSITIONS (PAPERBACK)

Run with It, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Transitions begins with a young Maggie Dorsey, a skinny-legged, shy, eleven-year-old, who like so many families come from a divided home. She is part of a siblingship of four brothers and one sister who live in a small, two-bedroom home on Rural Route 1, a dirt road, seven miles from the city limits of White Cloud. The mother is the sole provider and decision-maker. The oldest brother over-sees the siblings daily list of chores taped to the refrigerator door. Maggie over-hear the aunt and mother talking about ways to bring money into the household. One being welfare and the other picking crops. Many nights she d pray for her father to return home. After hearing their conversation, she prayed harder. Oh God, please hear my prayer and bring our daddy back home. I don t want to put my hands into that dark muck dirt, topping no man s onions or picking any god damn cherries. Excuse me God, I mean no cherries. There is a bright spot in her life, her three best friends who do most things together except pick crops and a cousin who visit in the summers.
