

The Other within: The Genius of Deformity in Myth, Culture, and Psyche

By Daniel Deardorff

North Atlantic Books, U.S. Paperback. Book Condition: new. BRAND NEW, The Other within: The Genius of Deformity in Myth, Culture, and Psyche, Daniel Deardorff, "The Other Within" aims to disclose the blessings of outsider-hood, the many gifts and insights contributed to culture by the marginalized and outcast. Unlike studies that focus on the plight of the outsider, author Daniel Deardorff tells us that to be cast down and out of the consensus-worldview affords a difficult yet significant opportunity: to encounter oneself, not as defined by society, but as we actually are. Having been brought down by polio as a child, Deardorff finds himself naturally able to speak to the experience of otherness, and is an eloquent spokesman for 'the man or woman on the weird road'. In the commodity-based culture's vigorous suppression of mythological thinking, there is an ever-growing imperative to avoid self-examination by defining ourselves in terms of what we are not: 'the other is not like us, does not belong'; 'what is other is not me'. In this way, 'otherness' functions to carry all the defects which we deny and repress. Yet in the defect, in the wound, there is a gift: the realms of otherness - weirdness, wilderness, myth...
