This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Edward Bond Foote: Biographical Notes and Appreciatives The initial efforts towards censorship of sex literature under the ban of that plausible, question-begging epithet obscene were made in the years 1872 and 1873. The elder Dr. Foote offered some unavailing remonstrance which ensured him the enmity of the influential fellowship of moralists for revenue. He believed he had a constitutional right to spread intelligence, even about sexual subjects, and so risked violation of a law whose criteria of guilt no one knows to this day. Relying upon his assumed rights, he sent to an enquirer a leaflet on the means for promoting race suicide and for that reason was arrested and convicted under the postal censorship statute.
