Thorndike Press Large Print. Hardcover. Condition: New. Gorgeously written and patently original, Harmony takes us intimately into the lives of families with children who are not neurotypical from the complex perspectives of the parent, the sibling, and the child herself. Anyone who has ever encountered a child on the spectrum will come away with a new understanding and empathy after reading this novel. Jodi Picoult, New York Times bestselling author of *Leaving Time* Every child has the potential to break a parent's heart. In this gripping, timely novel, Carolyn Parkhurst follows the Hammond family as they give up everything to build a community that will allow both their daughters to thrive, an experiment that tests their resilience and ultimately reveals the healing power of love. Kim Edwards, the New York Times bestselling author of *The Memory Keepers* Daughter Carolyn Parkhurst has composed the perfect blend of humor, suspense, and compassion in this fascinating tale of a family taking a crazy risk to save themselves. I read it in one giant gulp Harmony is absolutely riveting. Once Tilly--whose condition is deemed undiagnosable--is kicked out of the last school in the area, her mother Alexandra is out of ideas. The family turns to Camp Harmony and the wisdom of child behavior guru Scott...
