Boom! Studios, United States, 2017. Paperback. Condition: New. Claire Roe (illustrator). Language: English . Brand New Book. Mali and Tessa remember now: they remember their roles as soldiers in a war without end, battling each other throughout centuries, reincarnating only to fight one another again. But now that they re finally together, they ve decided to break this cycle for good by choosing love over war. Unfortunately, factions on all sides of the conflict are at odds with their choice - including Tessa s parents. Critically-acclaimed writer Christopher Sebela (Dead Letters, High Crimes) and artist Claire Roe (Batgirl and the Birds of Prey) delve back into the darkly complex world where all lines have been blurred: between love and hate, war and peace.
