Lulu.com, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In The Balanced Approach to Healing Study Guide, Chris takes you on a journey through the Scriptures to provide you with faith and confidence that it is God's desire to heal the sick. Jesus Christ is the same yesterday and today and forever (Hebrews 13:8). Jesus still heals today. Yet what about the people who pray earnestly to God and are not healed? If it is God's will to heal, then why isn't everyone healed who asks? Chris deals with these questions and provides the answers that will help those seeking healing to maintain their confidence in God's will, and strengthen the faith of all believers concerning God's ability to do what He promises. Entirely biblical in its scope, this book will show you what is potentially hindering those who are in need of healing, while also helping you to understand how to continue pressing into God for what He promises. Access to audio files for each lesson included in the book!.
