

Queen Elizabeth II: Her Life in Our Times

By Sarah Bradford

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Phyllida Nash reads Sarah Bradford's absorbing and authoritative portrait of the Queen's life and sixty-year reign - complete and unabridged. The Queen's story is our history: she was not born to be Queen but, a media star since the age of three, she has been the most famous woman in the world for all of our lives. In this definitive account, acclaimed Royal author Sarah Bradford offers a vivid window into the key moments of British and world history during the Queen's sixty-year reign, a mixture of happiness and crisis, but one defined by her extraordinary love and commitment to Britain and the Commonwealth. Drawing on a unique collection of archives and interviews, interwoven with the latest research, she gives us fascinating insights into Royal life, from wars and political scandal, to the death of Diana and the triumph of Prince William's wedding to Catherine Middleton. This is the biography the Queen deserves: remarkable, warm and, above all, inspiring.
