

Threatened with Heaven

By Ray La Boeuf

Xulon Press, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Ray La Boeuf is a cancer survivor. He was diagnosed with Squamous Cell Carcinoma in December 2003. In December 2004, when the cancer developed to stage 4, he contacted Cancer Treatment Centers of America. Nine months later he was declared cancer free and is still cancer free to this day. While receiving radiation Ray started writing his thoughts in a journal. He shared them with other cancer fighters and they encouraged him to write a book based on those thoughts. Thus was born, Threatened With Heaven - a book to encourage cancer fighters written by a stage 4, cancer survivor. Ray believes that, along with a good medical team, faith in God and faith in family are two key elements in fighting cancer. He believes that with faith in God, you can't help but have a positive outlook and with a family where the members have faith in each other you gain strength. As he points out, the Bible God promises he does not give you the spirit of fear but that He gives the spirit of love,...

Reviews

Great electronic book and useful one. Better than never, though I am quite late in start reading this one. You can expect to like the way the author compose this ebook.

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
