PROFESSOR BLUE TOP SECRET LAB JOURNAL

[DOWNLOAD](#)

Les Editions Lastcall, United States, 2010. Paperback. Book Condition: New. Jennifer Shipman Bonwich (illustrator). 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Hey PBS kids fans: No nerds harmed in making this scientific picture book. Come explore with Professor Blue her sled dog Tookie as they trek out into the world (back inside the lab) to conduct science experiments. A perfect opportunity for kids to reconsider the roles of toilets, drain pipes, lakes, aaaaaand the occasional submarine and think about a deceptively simple question: Where does our drinking water come from? The lab journal offers a glimpse into how to be a scientist by showing kids how our scientist spends her days. Education, curiosity, patience, perseverance, creativity: some of the qualities a scientist needs to have. A fluffy dog does not hurt. What is this exactly? --A kids book about dogs? --A children s science book? --Or an illustrated storybook? Why, yes, all of the above! Thanks for asking! The images in the Professor Blue Lab Journal are cartoony but the science isn t: it comes from MIT. It s like that old saying: Pretend is make-believe, make-believe is artificial, artificial can be intelligent, intelligence helps science, science helps humans, humans eat hummus, hummus is delicious, so thank you for the compliment. The Professor Blue Top Secret Lab Journal uses material from the Professor Blue videos funded by MIT. Great for children ages 4-8 or kids ages 9-12. Parents report the following results: --50.7189031 decrease of noise throughout the house while kids read our book. --26 increase in kids bugging mom and dad to own their own junior lab coat. --43.13eleventy decrease in resistance to washing hands before dinner. Reactions from our young readers: -- I can too wear my lab coat to...
