Post Hill Press, 2017. Paperback. Condition: New. Language: English . Brand New Book. In this often irreverent commentary, Nick Adams and Dave Erickson make an irrefutable case that the Establishment is the enemy of the people. In the era of Donald J. Trump, 45th president of the United States, a modern-day civil war rages. Led by elitists from Hollywood to New York, the Establishment has launched an unprecedented onslaught of hate and hypocrisy--single-minded of purpose: to destroy President Trump s efforts to make America great again. We see it every day! From riots and faux outrage, to attacks on conservative voices, to condescending Hollywood awards show speeches, to sports broadcasts pushing Establishment propaganda, to college campuses--where free speech is violently shut down by anti-freedom activists, professors indoctrinate instead of educate, and safe spaces coddle the entitled--to the peddling of fake news. With searing wit, The Case Against the Establishment reveals the hypocrisy of the Establishment and how it has infiltrated every facet of life--pop culture, schools, the news media, social media, even public bathrooms--as it seeks to mold America into a bastion of socialism, annihilate the Trump agenda, and crush everything that makes America great.
