Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.On Christmas Eve, while the Perfect Reader sits in his armchair immersed in a book-so absorbed that he has let the fire go out-I propose to slip gently down the chimney and leave this tribute in his stocking. It is not a personal tribute. I speak, on behalf of the whole fraternity of writers, this word of gratitude-and envy. No one who has ever done any writing, or has any ambition toward doing so, can ever be a Perfect Reader. Such a one is not disinterested. He reads, inevitably, in a professional spirit. He does not surrender himself with complete willingness of enjoyment. He reads to see how the other fellow does it ; to note the turn of a phrase, the cadence of a paragraph; carrying on a constant subconscious comparison with his own work. He broods constantly as to whether he himself, in some happy conjuncture of quick mind and enviroing silence and the sudden perfect impulse, might have written something like that. He is (poor devil) confessedly selfish. On every page he is aware of his own mind running with him, tingling him with needle-pricks of conscience for the golden chapters he has never written. And so his reading is, in a way, the perfection of exquisite misery-and his writing also. When he writes, he yearns to be reading; when he reads, he yearns to be writing.
