Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is going to give some brutal reality of what trading the financial markets are like from someone who is in them every day and uses real money to work with. If you can just take the time to read this information in this book, logically think about it, let it sink in and then continue on your educational journey you will have done yourself a huge favor and also begun to give yourself the needed edge to succeed in this business. I wrote this book for all beginning aspiring investors and traders who are just getting their head around doing the investing and trading business. Everyone has their own ideas of what they think investing and swing trading are and what it can do for them. This book is for beginners and will detail many of the things that a brand new trader must learn, and what not to do before they can become consistently profitable in the live markets. Make no mistake the live markets are full of people who will walk over the smoking wreckage you re blown up account to get paid and not think twice about it. It is just business as usual in the for them every day and should you not take the time think about what you are doing and rush to learn anything in this business only one thing will happen. Smoking wreckage! Are you going to let that happen? The information I give to brand new investors and day traders is very specific and is strictly meant for those who have zero knowledge of the futures markets. When you are done reading this short book you will know...
