

The Truth: An Uncomfortable Book About Relationships (Paperback)

Filesize: 4.97 MB

Reviews

This published publication is wonderful. Of course, it is actually engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Vickie Wolff)

Canongate Books Ltd, United Kingdom, 2016. Paperback. Condition: New. Main. Language: English . Brand New Book. NO MORE GAMES. IT S TIME FOR THE TRUTH. Neil Strauss made a name for himself advocating freedom, sex and opportunity as the author of The Game. Then he met the woman who forced him to question everything. Neil s search for answers took him from Viagra-laden free-love orgies to sex addiction clinics, from cutting-edge science labs to modern-day harems, and, most terrifying of all, to his own mother. What he discovered changed everything he knew about love, sex, relationships and, ultimately, himself. The Truth may have the same effect on you.
