TEXTBOOK OF RABBIT MEDICINE

Butterworth Heinemann, 2001. Gebundene Ausgabe. Condition: Neu. Neu Neuware, Importqualität, auf Lager, Sofortversand - Although a lot has been written on the rabbit, much is anecdotal and aimed at the pet owner rather than the veterinarian. Textbook of Rabbit Medicine however, has been specifically written for the veterinary practitioner, using evidence-based material and providing a comprehensive guide to the diagnosis and treatment of conditions affecting pet rabbits. Basic husbandry, behaviour and nutrition are explained within the concept of health and disease....

Reviews

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Ken Watsica**

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Cade Nolan**

Very useful to all category of individuals. It is one of the most amazing publication i have got read through. You will not feel monotony at anytime of your respective time (that's what catalogs are for about when you question me).
