## Exercises in Current Economics (Classic Reprint)

By Walton Hale Hamilton

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Exercises in Current Economics This book of exercises has been prepared to accompany the author s Current Economic Problems. As complementary expressions of the same conception of economics and the same method of teaching, unity and completeness are to be found only in the two volumes together. The Exercises follows the Problems, division by division, and section by section. In this volume each of the sections falls into four parts. The first gives a short statement introductory to the topic announced. These statements supplement the introductions to the divisions in the Problems, and are intended to give to the divisions the unity which the introductions to the divisions attempt to give to the treatment as a whole. The second gives, by number, a list of supplementary readings in the Problems. These are intended to show something of the many cross-currents in economic life and to indicate the intimate connection between seemingly independent problems. Since the sections bear the same titles as those in the Problems, it has seemed superfluous to enumerate the required readings. The...
