

The Walkabout Chronicles: Epic Journeys by Foot (Paperback)

Filesize: 7.86 MB

Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

The Walkabout Chronicles: Epic Journeys by Foot. Introduction by Sir Ranulph Fiennes. This is an adventure-travel anthology featuring some of the greatest explorers, walkers, and writers of our time. These essays span the globe. Represented in the book are world walkers, scientists and archeologists, travelers, artists, explorers, and ordinary people who do extraordinary things. This book is a celebration of life, a tapestry of diversity, and a testament to living one's dreams. In The Walkabout Chronicles you will travel across the Himalaya, through the Darien Gap, into the heart of Africa, with reindeer herders in Mongolia, up to high elevation archeological sites, trek across the Aleutian Islands, follow in the footsteps of Marco Polo, and walk into your own neighborhood. This book contains 35 essays, stunning photography, and features inspirational explorers such as Wade Davis, Johan Reinhard, Helen Thayer, John Francis, Jon Turk, Pat Morrow, Don George, Jeff Fuchs, Lorie Karnath, Tony Mangan, Edwin Bernbaum, Mikael Strandberg, Brandon Wilson, Polly Letofsky, Levison Wood, Colin Monteath, James Dorsey, Maria Coffey, Steven Newman and many more. A unique book in the adventure travel genre and destined to become a classic in travel literature. The history of walking and writing is almost as old as culture: every step is a story, and every path tells. This marvelous collection adds a new mile to the written way, a new stride to the literature of the leg. -Robert Macfarlane, author of The Old Ways: A Journey on Foot It all changes, everything, and walking illustrates that elemental condition of our lives. Nothing else so completely clears our minds or lays bare the soul of place. This monumental book, full of graceful prose by writers and...
