Synopsis: Most people, even non-Christians, know that Christians gather for worship once a week, and that they are right there to support each other when there is a baptism or a wedding or a funeral. But what about other poignant, vulnerable, or life-changing times? How does the church help people handle changes that in the past, in Christendom, were considered secular ? Does the church have a role at retirement when one s ministry changes, or when a family s children leave home and familiar patterns seem to grind to a halt? Is there any rite possible for someone who is called to Christian ministry but not to ordination? Or to someone whose vows are broken in divorce? Christian Ritualizing and the Baptismal Process asserts that baptism marks the beginning of a process of participation in Christ s ministry, so that no part of life can finally be considered secular. Susan Marie Smith shows how every passage, healing, and ministry vocation is holy, and she lays the groundwork needed for every church to create the rituals necessary to lament and celebrate the endings and beginnings that happen in every Christian life. Endorsements: Critical analysis not only of major past theologians, but of former and present eras in ecclesial history, coupled with a wide-ranging draw on contemporary liturgical theologians, provide a splendid foundation for the third part of Susan Smith s book, which effectively and creatively sets forth the reciprocal connection between liturgy and life. Pastoral implementation is, after all, the aim of any and all liturgical renewal and she succeeds in this as well. --William...
