TidalWave Productions, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Anne Rice s uniquely gothic, sensuous, and existential approach redefined the modern vampire mythology. Shaped by personal tragedies, critical successes and failures, and a fervent rediscovery of her Catholic roots, Rice has penned over 27 novels from supernatural to historical tomes, erotica and religious themes. But Anne Rice s life is just as interesting as the tales she spins. This expanded collector s version includes several special extras including a pictorial tour of Rice s beloved New Orleans, a brief overview of the origins of the vampire myth, and an illustrated bibliography. As featured on CNN, FOX News, Time Magazine, The Washington Post, LA Times, OK Magazine, and MSNBC! Female Force is a series that features biographies on strong, independent women in modern politics. Read about the world of Anne Rice in comic book form.
