Benna Books, 2017. Hardback. Condition: New. Language: English . Brand New Book. Louis Comfort Tiffany (1848-1933) was born into luxury and made that advantage a tool to become a leader in the Aesthetic and Art Nouveau movements. His father started the iconic Tiffany store beginning with exotic gifts and becoming the style-setting jeweler. Louis veered his talent into the allure of stained glass instead of diamonds. Though his portfolio contains painting, architecture, furniture and tabletop design, what he is most remembered for are windows, lamps and vases. Tiffany's inspiration came from nature - flowers, insects, birds, and the gentle breeze that propels the movement of it all. The Short Biographies series from Applewood's Benna Books imprint features short, intriguing, and entertaining biographies of world-renowned figures. Each beautiful hardcover book includes an interesting retelling of a single person's life, suitable for young adults and adults alike. These little gems will become beloved souvenirs of a favorite artist or a memorable trip to a museum.
