Reviews

It is easy in study better to understand. Of course, it is actually play, nonetheless an amazing and interesting literature. I am quickly could possibly get a satisfaction of reading through a published ebook.
(Ms. Lucinda Koelpin)

ALT COMIC BOOK: APPROACHING ARCHITECTURE

By Architect Publications S.L. Paperback. Book Condition: new. BRAND NEW, Alt Comic Book: Approaching Architecture, Angel Luis Tendero, Spanish architect Angel Luis Tendero (ALT) takes you on a journey which, through his comic book drawings and personal vision of city living, analyses with dynamic images and accessible language concepts such as space and form, the importance of environment and the tools needed for architectural design. Laid out like a graphic novel with a strong narrative 'quest' and over 400 hand-drawn colour illustrations, this work captures the emotion that drives modern architecture and design. It explains the conflicts that exist between society and architecture and how they can be resolved. A remarkable and original book which brings alive the driving principles of architectural design to a young readership.
