

Forgotten Voices of D-Day: A Powerful New History of the Normandy Landings in the Words of Those Who Were There

Filesize: 4.26 MB

Reviews

A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.

Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, Forgotten Voices of D-Day: A Powerful New History of the Normandy Landings in the Words of Those Who Were There, Roderick Bailey, 6 June 1944: the day Allied forces crossed the Channel and began fighting their way into Nazi-occupied Northwest Europe. Initiated by airborne units and covered by air and naval bombardment, the Normandy landings were the most ambitious combined airborne and amphibious assault ever attempted. Their success marked the beginning of the end for Nazi Germany. Drawing on thousands of hours of eyewitness testimony recorded by the Imperial War Museum, Forgotten Voices of D-Day tells the compelling story of this turning point in World War 2. Hearing from paratroopers and commandos, glider pilots and landing craft crewmen, airmen and naval personnel, we learn first-hand what it was like as men waited to go in, as they neared the beaches and drop zones, and as they landed and met the enemy. Accounts range from memories of the daring capture of 'Pegasus' bridge by British glider-borne troops to recollections of brutal fighting as the assault forces stormed the beaches. Featuring a mass of previously unpublished material, Forgotten Voices of D-Day is a powerful and important new record of a defining moment in modern history.
