LEGAL REASONING AND POLITICAL CONFLICT (HARDBACK)

[DOWNLOAD](#)

Oxford University Press Inc, United States, 1996. Hardback. Book Condition: New. 237 x 162 mm. Language: English . Brand New Book. The most glamorous and even glorious moments in a legal system come when a high court recognizes an abstract principle involving, for example, human liberty or equality. Indeed, Americans, and not a few non-Americans, have been greatly stirred-and divided-by the opinions of the Supreme Court, especially in the area of race relations, where the Court has tried to revolutionize American society. But these stirring decisions are aberrations, says Cass R. Sunstein, and perhaps thankfully so. In *Legal Reasoning*, Sunstein, one of America's best known commentators on our legal system, offers a bold, new thesis about how the law works in America, arguing that the courts best enable people to live together, despite their diversity, by resolving particular cases without taking sides in broader, more abstract conflicts. Sunstein offers a close analysis of the way the law mediates disputes in a diverse society, examining how the law works in practical terms, and showing that, to arrive at workable, practical solutions, judges must by necessity avoid broad, abstract reasoning. Why? For one thing, adversaries who would never agree on fundamental ideals are often willing to accept the concrete details of a particular decision. Likewise, a plea bargain for someone caught exceeding the speed limit need not-indeed, must not-delve into sweeping issues of government regulation and personal liberty. Thus judges purposely limit the scope of their decisions to avoid reopening large-scale controversies. Sunstein calls such actions incompletely theorized agreements. In identifying them as a core principle of legal reasoning, he takes issue with advocates of comprehensive theories and systemization, from Robert Bork (who champions the original understanding of the Constitution) to Jeremy Bentham, the father of utilitarianism. Equally important, Sunstein goes...
