

## Grail (Paperback)

By Elizabeth Bear

Random House USA Inc, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Rife with intrigue and betrayal, heroism and sacrifice, Grail brings Elizabeth Bear's brilliant space opera to a triumphant conclusion. At last the generation ship Jacob's Ladder has arrived at its destination: the planet they have come to call Grail. But this habitable jewel just happens to be populated already: by humans who call their home Fortune. And they are wary of sharing Fortune--especially with people who have genetically engineered themselves to such an extent that it is a matter of debate whether they are even human anymore. To make matters worse, a shocking murder aboard the Jacob's Ladder has alerted Captain Perceval and the angel Nova that formidable enemies remain hidden somewhere among the crew. On Grail--or Fortune, rather--Premier Danilaw views the approach of the Jacob's Ladder with dread. Behind the diplomatic niceties of first-contact protocol, he knows that the deadly game being played is likely to erupt into full-blown war--even civil war. For as he strives to chart a peaceful and prosperous path forward for his people, internal threats emerge to take control by any means necessary.

### Reviews

*The very best pdf i at any time read through. This is for all those who statte there had not been a worthy of studying. You wont sense monotony at whenever you want of your own time (that's what catalogs are for concerning when you request me).*

-- **Fabian Kuhlman II**

*This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.*
