

## Beekeeping 101: Where Can I Keep My Bees? (Paperback)

Filesize: 1.47 MB

### **Reviews**

*The publication is straightforward in study safer to recognize. It is written in straightforward words and never hard to understand. It has been printed in an extremely straightforward way and it is just after I finished reading this book through which basically modified me, affect the way I think.*

*(Percy Bernhard)*

## BEEKEEPING 101: WHERE CAN I KEEP MY BEES? (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.So you want to start keeping bees? Where does a newbie or hobbyist place their bee hives? The back yard is the most obvious choice, but there are many factors, including municipal ordinances and relations with the neighbors. Urban beekeeping is on the rise and roof top apiaries are becoming popular. Still, there are several factors that limit and define the most successful apiary site selection. Grant Gillard, a beekeeper since 1981, keeps 200 hives in southeast Missouri on over 30 locations, sometimes called out yards. In this manuscript, Grant details what makes for the ideal location for the bees, plus cites a number of other criteria helpful to the beekeeper. Just like in real estate, the admonition of location, location, location, rings true for the honey bee and honey production.
