

Mean Universe

By Colin Wright

Asymmetrical Press, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Every civilization has its creation stories. Some are inspiring, others terrifying, while still others leave us with more questions than answers. But one thing is consistent between them all: they attempt to explain how something happened. How a species was born, how the world came to be, or how a civilization rose up from nothing to become capable of wondering over its own origins. Mean Universe is a collection of short stories about different aspects of creation. Stories included in this collection: Buki Loop Mean Universe SB72 Cremation Winter s Pet Mindless Machine Son.
