

Implementation of speech Emotion Recognition SVM kernel using MATLAB

Filesize: 8.78 MB

Reviews

It in one of my personal favorite book. Sure, it is engage in, continue to an amazing and interesting literature. I am quickly could possibly get a enjoyment of looking at a published book.

(Wellington Rosenbaum)

IMPLEMENTATION OF SPEECH EMOTION RECOGNITION SVM KERNEL USING MATLAB

To get **Implementation of speech Emotion Recognition SVM kernel using MATLAB** eBook, make sure you refer to the web link under and download the file or gain access to other information which might be have conjunction with IMPLEMENTATION OF SPEECH EMOTION RECOGNITION SVM KERNEL USING MATLAB book.

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Speech emotion recognition is a very important speech technology. an extensive research is made by using different speech information and signal for human emotion recognition. We develop a speech-based emotion classification method using SVM by using standard EMA database. In order to achieve a high emotion classification accuracy we have used SVM with kernel functions, From result obtained by using different kernels functions . From result we conclude that RBF Kernel function in which we got 94.96%, 96.02%, 98.96%, 98.76% accuracy results for Angry, Happy, Neutral, Sad emotions respectively using energy, formant and MFCC features. Our result shows that classification accuracy will be improve using kernel functions. | Format: Paperback | Language/Sprache: english | 72 pp.
