Kensington Publishing, United States, 2017. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. An amazing first novel. -Sydney Landon, New York Times bestselling author In this sparkling debut novel, Mary Ann Marlowe introduces a hapless scientist who s swept off her feet by a rock star--but is it love or just a chemical reaction? Biochemist Eden Sinclair has no idea that the scent she spritzed on herself before leaving the lab is designed to enhance pheromones. Or that the cute, grungy-looking guy she meets at a gig that evening is Adam Copeland. As in the Adam Copeland--international rock god and object of lust for a million women. Make that a million and one. By the time she learns the truth, she s already spent the (amazing, incredible) night in his bed. Suddenly Eden, who s more accustomed to being set up on disastrous dates by her mom, is going out with a gorgeous celebrity who loves how down-to-earth and honest she is. But for once, Eden isn t being honest. She can t bear to reveal that this overpowering attraction could be nothing more than seduction by science. And the only way to know how Adam truly feels is to ditch the perfume--and risk being ditched in turn. Smart, witty, and sexy, Some Kind of Magic is an irresistibly engaging look at modern relationships--why we fall, how we connect, and the courage it takes to trust in something as mysterious and unpredictable as love. Frisky, Flirty Fun! - Stephanie Evanovich, New York Times bestselling author of The Total Package Sexy, engaging and original. I completely fell in love with Eden and Adam. --Sydney Landon, New York Times bestselling author.
