Reviews

Extensive guideline! Its this sort of very good go through. I have got read and i am confident that i will gonna read through once more once more in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Joana Champlin)

SACRO-EGOISM (PAPERBACK)

Wipf Stock Publishers, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sacro-Egoism: The Rise of Religious Individualism in the West discusses the relationship between secularization, participation in religious practices and belief, and the emergence of radical individualized expressions of faith in the West. Using McMinnville, Oregon, as a case study, it presents the data collected and analyzed from several churches, denominations, and spiritual settings in that unassuming town, and compares it to the results of Heelas and Woodhead's Spiritual Revolution project, arriving at a provocative conclusion. Rather than abandoning Christianity for alternative spirituality practices, McMinnville citizens still feel strongly about their Christian faith, taking their spiritual walk to a more personal level than ever before in church history. Utilizing both quantitative and qualitative research, along with personal stories of faith and exploration from McMinnville residents themselves, Sacro-Egoism: The Rise of Religious Individualism in the West tells a story of radical individualists who have become the highest religious authority in their lives--even over the church, the Bible, and traditional Christian society. This book is a must-read for all sociologists of religion. John Knox's theorization of Sacro-Egoism adds another dimension to the secularization debate and in particular offers an all-important lens on the nature of religiosity in the USA. --Ben Pink Dandelion, Programmes Leader, Centre for Postgraduate Quaker Studies, Woodbrooke Quaker Study Centre Dr. John Knox's study to see the socio-philosophical axioms underpinning the current milieu of Christianity, specifically in our region of the Northwest, reveals just how much the post-enlightenment of self, or ego, has permeated our churches. His review of the many states of the Church serves as a gut-check for the individual Christian, as well as Christian institutions in general. --William Holtzinger, Pastor, St. Anne Catholic Church, Grants Pass, OR...
