LETTERS FROM THE BELOVED: STUDIES IN 1, 2, 3 YOCHANAN (JOHN) (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Called the disciple whom Yeshua loved, Yochanan (John) was by far the youngest disciple to witness Yeshua s ministry, and he lived longer than any of the others. His three pastoral epistles, therefore - penned late in his ministry - reflect more practical experience than any other New Testament writings. Perhaps this is why Yochanan s letters - like his Gospel - bear such a strong imprint of the one characteristic that most clearly defines God s relationship with His people from the very beginning: love. For God so loved the world we read in the Gospel, yet that truth is balanced in Yochanan s letters by its practical implication: The one who says, I have come to know Him, and does not keep His commandments is a liar, and the truth is not in him. This balance between a theology of love and its outworking forms the core of Yochanan s letters. Nowhere else in the New Testament do we find such clear tools to evaluate our walk of faith: by this we know we love Him . for example. Join Messianic Rabbi Joel Liberman in a verse-by-verse journey through these essential books.
