The content of this book is primarily derived from the timeless wisdom contained in the Bhagavad Gita . I am an independent author, not affiliated with any religious or political organization. I have focused only on extracting the actionable items or commandments from this scripture. I have not made any attempts to re-interpret or provide my own version of the meaning of the verses contained in this scripture. Many great scholars like Swami Ranganathananda, Bhakti Vedanta Swami Prabhupada, Swami Vivekananda, Bal Gangadhar Tilak, Swami Sankaracharya, Georg Feuerstein etc. have all provided excellent interpretations. These are the works that I have drawn inspiration from.
