## TERRIAN JOURNALS HOW TO MAKE THE NATION: AN INSTRUCTION BOOK FOR NATIONALIZING AND COLONIZING HUMAN BEINGS (PAPERBACK)

Mythbreaker, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.How To Make The Nation is a satirical expose based in the observable and audible reality of a system of defining and organizing human life called the nation-state or simply the nation. This writing takes nation-building to its logical, unnatural, and lethal conclusion. How To Make The Nation shows to what ridiculous pains nation-makers and nationalists can go to not only invent a nation, but also to justify and attempt to bring to life an entity with no natural basis or foundations in long-term human life and reality. The nation is truly the most elaborate absolute deity and hoax perpetrated on humanity. Terrian Journals How To Make The Nation is an essential survival guide for the age of the return of colonial-nationalism. This work is dedicated to the tens of millions of people who died for the nation during the six year war of the previous age of colonial-nationalism.
