### **Reviews**

*An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

Although he uses the terms before and after totality, they are probably int-ended merely to indicate the first and second series. Because he states, Just as totality commenced, the bands appeared. The edge of the shadow appears to have passed actually along the river Clarence, which separates Grafton from South Grafton. The bands were well seen in Grafton, but not in South Grafton.
