FROM ERGOT TO ERNUTIN: AN HISTORICAL SKETCH (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from From Ergot to Ernutin An Historical Sketch For many years I have been engaged in researches respecting the early methods employed in the healing arts, both amongst civilised and uncivilised peoples. It has been my object, in particular, to trace the origin of the use of remedial agents. Why were certain substances used in the treatment of various diseases? Was their adoption the result of study and practical observation, or was it more usually the result of accident? Were the alleged virtues purely imaginary and due to some superstitious suggestion? A consideration of such questions is always of interest, and sometimes adds to our knowledge. There is a considerable amount of information scattered throughout the world in folk-lore, early manuscripts, and printed books, but the difficulties of tracing out and sifting the evidence are considerable. I anticipate that the historical exhibition of medical, chemical and pharmaceutical objects which I am organising, to be held in London (eng), will lead to the revealing of many facts, and the elucidation of many obscure points, in connection with the origins Of various medicines. I should greatly value any information sent me in regard to medical traditions or references to antient treatment in manuscripts, printed works, do; even though the items be ever so small, they may form important connecting links in the chain of historical evidence. It is my intention ultimately to place before the profession, in a collected form, all the information I obtain. I should be glad to receive any information respecting the early history of ergot and ergotism, also references to the use of ergot as a medicinal agent in antient times. Being engaged on a further and more exhaustive...
