Christmas Summary Classics This series contains summary of Classic books such as Emma, Arne, Arabian Nights, Pride and prejudice, Tower of London, Wealth of Nations etc. Each book is specially crafted after reading complete book in less than 30 pages. One who wants to get joy of book reading especially in very less time can go for it. About the Book The publication of Dombey and Son began in October, 1846, and the story was completed in twenty monthly parts at one shilling each, the last number being issued in April, 1848. Its success was striking and immediate, the sale of its first number exceeding that of Martin Chuzzlewit by more than 12, 000 copies--a remarkable thing considering the immense superiority of Chuzzlewit. Dombey and Son, indeed, is by no means one of Dickenss best books; though little Paul will always retain the sympathies of the reader, and the story of his short life for ever move us with its pathos. The popularity of Dombey and Son provoked an impudent publication called Dombey and Daughter, which was started in January, 1847, and was issued monthly at a penny. Two stage versions of Dombey appeared--in London in 1873, and in New York in 1888, but in neither case was the adaptation particularly successful. What are the wild waves saying was made the subject of a song--a duet--which at one time was widely sung, but is now, happily forgotten.
