# DROUGHT DISASTER AND DEVELOPMENT: PROFILE, PERFORMANCE AND POTENTIAL

Mittal Publications, New Delhi, 1994. N.A. Book Condition: New. Viii+140pp The specter of drought, which results in complete or partial failure of crops, haunts most of the states in India. And yet not much information is available on areas prone to drought and their development potential. The present book is an attempt to fill this gap. The book gives an account of the profile of the drought prone areas of three selected states and reviews their performance with respect to socio-economic...
